## Universal Pre-Kindergarten Application 2009-2010

### *What Is Universal Pre-Kindergarten (UPK)?*

Universal Pre-Kindergarten (UPK) programs provide a nurturing environment where children’s natural curiosity is used as a springboard to learn skills that are necessary for success in school. In Pre-Kindergarten, children learn how to share, take turns and work in groups. They also develop skills that form the foundation for reading, writing and mathematics. All UPK programs are free of charge. The program at Spuyten Duyvil Preschool is half day (two and a half hours, AM – morning or PM – afternoon).

### *Who Is Eligible?*

Children born between January 1, 2005 and December 31, 2005, who will turn four years old between January 1, 2009 and December 31, 2009, and who reside in New York City are eligible to participate in UPK programs that are offered by the New York City Department of Education.
